

# ITALIANO III PROJECT RESEARCH ON A FAMOUS ITALIAN FROM THE PAST

Work with a partner. Choose one of the famous Italian people from the past listed below, and look up for information about their lives. Prepare a likely interview. Make sure you include place/date of birth, when he lived, historical/cultural situation, his masterpiece or reason why he is famous, what contribution he gave to the Italian culture. Save your original document in your digital portfolio or website, and practice the interview out so that you will present it to the class next time.
