

Advanced Italian Project

Talking about Italian History

R. Pennasilico, Naples American MH School

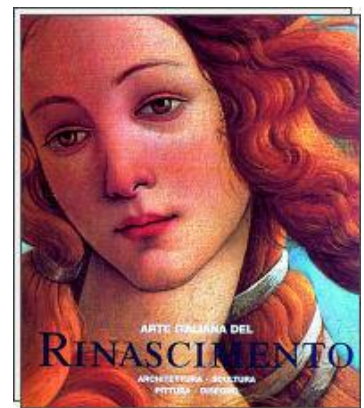

In pairs, you need to work on one of the historical periods mentioned below. Each pair of students will be assigned a different period, so that the final presentation will cover all the chronological phases. Look up for information about your selected period, and prepare a Power Point presentation. Both you and your partner must show confidence with the content you include in your presentation. **Important:** make sure that you include facts about the politics of the period, relevant people, scientific inventions, cultural events, literature pieces, art works that best represent the period you chose.

1. L'impero romano

2. Il Medioevo

3. Il Rinascimento

4. Il Risorgimento

5. Il ventennio fascista e la nascita della Repubblica

6. Il boom economico degli anni '60
